

Care is a chain reaction triggered by the smallest act of kindness, because when you're cared for, you can care more.

At Silverchain you have the flexibility to balance your work and home life.

Our care means investing in your professional growth so together we can find new ways to provide the best care for our clients, while putting more tax free money into your pocket.

As a nationally accredited health and aged care provider we take our reputation seriously. We know what we do makes a difference for our clients, our communities, and you.

We're looking for Registered Nurses to join our team and help provide services to 140,000 Australians each year.

**Registered Nurses** play a crucial part in providing clients the care and treatment that enables them to live their best lives at home.

Your tasks may vary depending on your specific role but can include:

- Providing wound care.
- Conducting clinical assessments.
- Implementing care management plans.
- Helping clients with catheter care and IV administration.
- Diabetic management.

## About you

To apply for this role, you will need:

- 2+ years post graduate broad experience in a general nursing role.
- Current AHPRA registration with zero notations.
- Experience in wound and catheter care.
- Strong clinical assessment and chronic disease management skills.
- Community care experience highly regarded.
- Effective communication skills, written and verbal.
- Current Australian driver's license.
- A current satisfactory police clearance or the ability to obtain one (conducted at Silverchain's expense).

Other criteria may also apply for specific roles.

Hours of work may vary depending on the specific service you're providing.
