

Compliments, complaints, and suggestions

All compliments, complaints, and suggestions are an opportunity for us to improve the quality of your care.

We encourage you to provide regular and ongoing feedback, as it helps us improve the quality of our services, and better meet your needs.

This information sheet describes how to:

- provide feedback on the services you receive.
- lodge a complaint if you are not happy with your service, support or products.
- appeal the outcome of a complaint.

How to provide feedback

With Silverchain, you can make a complaint safely, confidentially and anonymously. There will be no negative impact on the care or services you receive.

If you are not happy about your service, speak to your Care Partner or the person coordinating your care in the first instance.

You can also ask to speak to a senior team member by calling our National Contact Centre, during business hours on **1300 650 803**.

Other ways you can provide feedback include:

- Email: feedbackandcomplaints@silverchain.org.au
- Submitting feedback online: silverchain.org.au/contact-us/feedback
- Completing the Feedback Form attached, and either giving it to a member of your Silverchain care team, or posting it to:
Consumer Engagement Team
Silverchain
6 Sundercombe Street,
Osborne Park WA 6017

We may also send you an online survey via email or via SMS text message a few times a year, for feedback on our services.

If you would like to provide a sentiment of thanks to one of our team members, please contact us, and we will pass on your message.

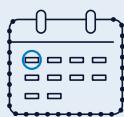

Be a consumer voice

At Silverchain we have a range of voluntary and paid opportunities as consumer representatives that might interest you. Contact our Consumer Engagement team on **1300 650 803** or email ce@silverchain.org.au to find out more.

What information to include in your feedback

When you provide feedback, please explain what happened and when, who was involved, and what outcome or action you are seeking. You will also need to let us know your preferred contact details.

We aim to acknowledge feedback within 1 business day and resolve complaints within 28 days.

When you make a complaint to us, we will work with you to resolve your concerns and keep you informed throughout the process.

Assistance to lodge a complaint

If you need assistance, we have a Consumer Engagement Liaison Advocate who can help you. Please call our National Contact Centre during business hours and ask to speak to them directly, on **1300 650 803**.

We understand and respect that you may need the support of trusted family and friends in managing your care. If you would like someone to help you with a complaint, we are happy to work with your nominated person.

There are organisations in every state of Australia that deliver free and confidential advocacy support for older people receiving aged care services. These organisations can be contacted via the Older Persons Advocacy Network (OPAN). OPAN is funded by the Australian Government Department of Health, Disability and Ageing.
