About Support at Home prices

Our service prices cover the care and support you receive at home, tailored to your needs - from personal care and household help to nursing and allied health. They also support the skilled professionals who deliver your care, including their training and coordination.

A portion of your fees fund care planning, scheduling and regular reviews to keep your services aligned to your goals. Fees also contribute to travel, administration and customer support, ensuring everything runs smoothly, as well as selected equipment or supplies that help you stay safe and independent at home.

Our service prices

Our service prices are current as at the date of publication. These prices may be subject to change.

To expand on the large range of services we provide, we sometimes partner with third parties for services such as Gardening. Also, if you would like a service not listed on our price list, talk to us and we can arrange the service for you.

Prices are exclusive of GST and listed per unit of time as set out below. Service visits that go over one hour will be charged at the pro-rata hourly rate.

Depending on your individual needs, we may need to charge a price that is different to our price list. In this case, we will discuss this with you and agree a price in writing.

We are one of Australia's leading home care specialists, providing a large range of services - from a little help at home to supporting more complex health care needs.

Care Management fees

With Silverchain, you will have a dedicated and experienced Care Partner to help you, and be your key point of contact. Care management applies to all participants in the Support at Home program.

To pay for this service, Services Australia deducts 10% of your quarterly Support at Home budget. Silverchain will access this funding from Services Australia through providing evidence of the Care Management hours that we deliver for our clients. For the purposes of recovering this funding, Silverchain applies the following Care Management fees. There will be no out of pocket costs or co-contributions charged to you as our client for this service.

Our Care Management fees are set out below. Fees will be charged in 15-minute increments, with a minimum in home service duration of one hour.

Care Management fee	\$175.00 p/h	Restorative Care Management fee	\$265.00 p/h

Placing your service/s on hold

In most cases we can put your services on hold for a period, if your circumstances change such as a hospital stay, holiday, or respite care. Please discuss any plans to pause your services with our care team so we can reorganise your care, and ensure that you provide at least 48 hours' notice to avoid being charged for any scheduled services.

Additional services

If you require services in excess of your approved funding allocation, such services may be purchased from us at the prices outlined above.

Our service cancellation policy

We understand plans change. You will not be charged if you cancel or reschedule a scheduled service with at least 48 hours' notice. If you cancel or reschedule with less than 48 hours' notice, you will be required to pay for the scheduled service. For more information, refer to the Cancellation Policy on our website.
