

## Client Contribution Fee Waiver Assessment

Under the Commonwealth Home Support Program (CHSP) provided by the Commonwealth Government, those who receive services are required to pay a contribution toward the cost of services.

You can refer to [myagedcare.gov.au/commonwealth-home-support-program-costs](https://myagedcare.gov.au/commonwealth-home-support-program-costs) for additional information on CHSP. Attached is Silverchain's Contribution Fee Schedule.

Silverchain has a client contribution procedure in place. Our procedure ensures that people who can afford to contribute to the cost of their care do so, while protecting those who are most vulnerable who may be entitled to a fee waiver.

Your Silverchain contribution fee may be waived or reduced if you, your spouse/partner or a dependent child have high costs for essential health care and accommodation needs or have been assessed by the government as eligible for Full Age Pension.
